Chapter 9 ◆

Just the two of Us!?

Even so...
It's sooooo big!

To commemorate the arrival of our new master, Tarou-sama,
This year we have real reason to celebrate.
This evening is the Hanaukyou's traditional Christmas party.

Everyone seems to be enjoying themselves...
Thank you, everyone, for your hard work...

Merry Christmas!!

And so, everyone!!

ドヤドヤ
Tarou-
Samaaaaaa
!

No! Sing karaoke with us.
Tarou-sama, lets have a games com-petition.

Even so...

ドヤ

So, I guess it's ok...
But, it's only once a year.
This is a game?
Yes...
Everyone seems a little over-excited.
Those girls are just being girls...
It's only the first Christmas since Tarou-sama became the master...
Tarou-sama~~~

You hate us, don't you?
Yes, yes.
No, I don't...
Yes, you do.
You're so cold to us.
No, I'm not...
Well then, let's see some proof, please.
Proof?

You're going too far!!
H- Hey, wait!!
Eeeeek!
Kissssssssss.
Kiss us.
Me too! Yay!
Me too! Yay!
Tarou-sama, shall we take a picture?
I'm fine..
Are you not coming, Konoa-san?
Take a picture with us, too, Mariel-sama!

Here goes.
Aaaaah! Don't get so close.
So heavy...
Say cheese!!

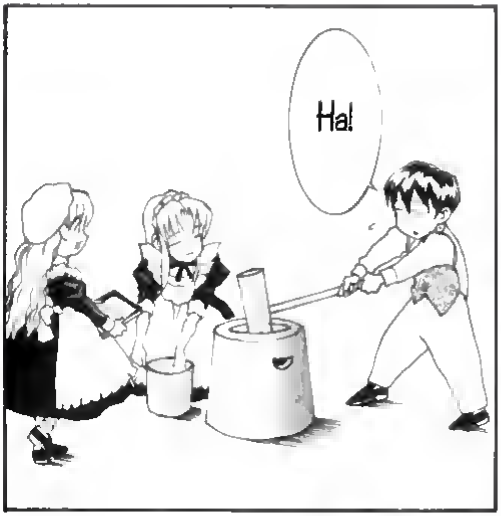
.....
Now that everyone's away
I couldn't say, myself.
Is something wrong, Tarou-sama?
the mansion feels like it's getting bigger...

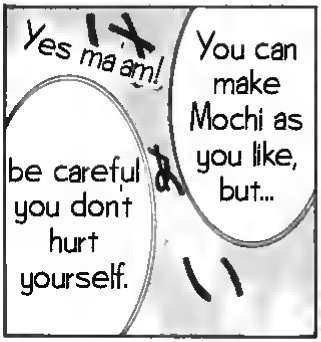
Mariel...
Are you lonely?
I don't know.
It's because everyone's gone back home, isn't it?
You told everyone,
"Everyone should go spend time with their families for the New Year."
See you later! Have a Happy New Year..

If you have a home to go back to,
If you have family waiting for you,
Then you should go back...
.....
By the way, Mariel.
Is it okay, if you don't go back home?
Wherever Tarou-sama is..
that place is my home

*Heartbeat
ドキドキ
Could it be that...
Wait...
ワキワキ
Did she say what I thought she said?
!
alone, with Mariel?
I'll be spending the New Year...
I'm not ready for this yet...
Can't be!?

Alright!!
Cyn- Cynthia didn't go home either, did she...
Just the three of us.
Well, lets enjoy the New Year.
.....
Let's enjoy the New Year...
Ah, Konoa-san, too...
Oh yeah, the security staff didn't go home, either...
Cough





Mochi - Rice cake usually eaten during the new year

Leave it to me!!
How irritating!
Just what I expect from Konoa-san!
Wow!
Gak!
I wonder if we can eat this much...
But...
Wow. With Konoa-san's help, we've made a lot of progress.

She'll probably be at MEMOL..
Grace has woken up now.
Eh? Where is Cynthia?
I have some New Year Soba..
MEMOL
You're just as welcome as always...
Put it somewhere over there.
Ummmm... I made some New Year Soba..

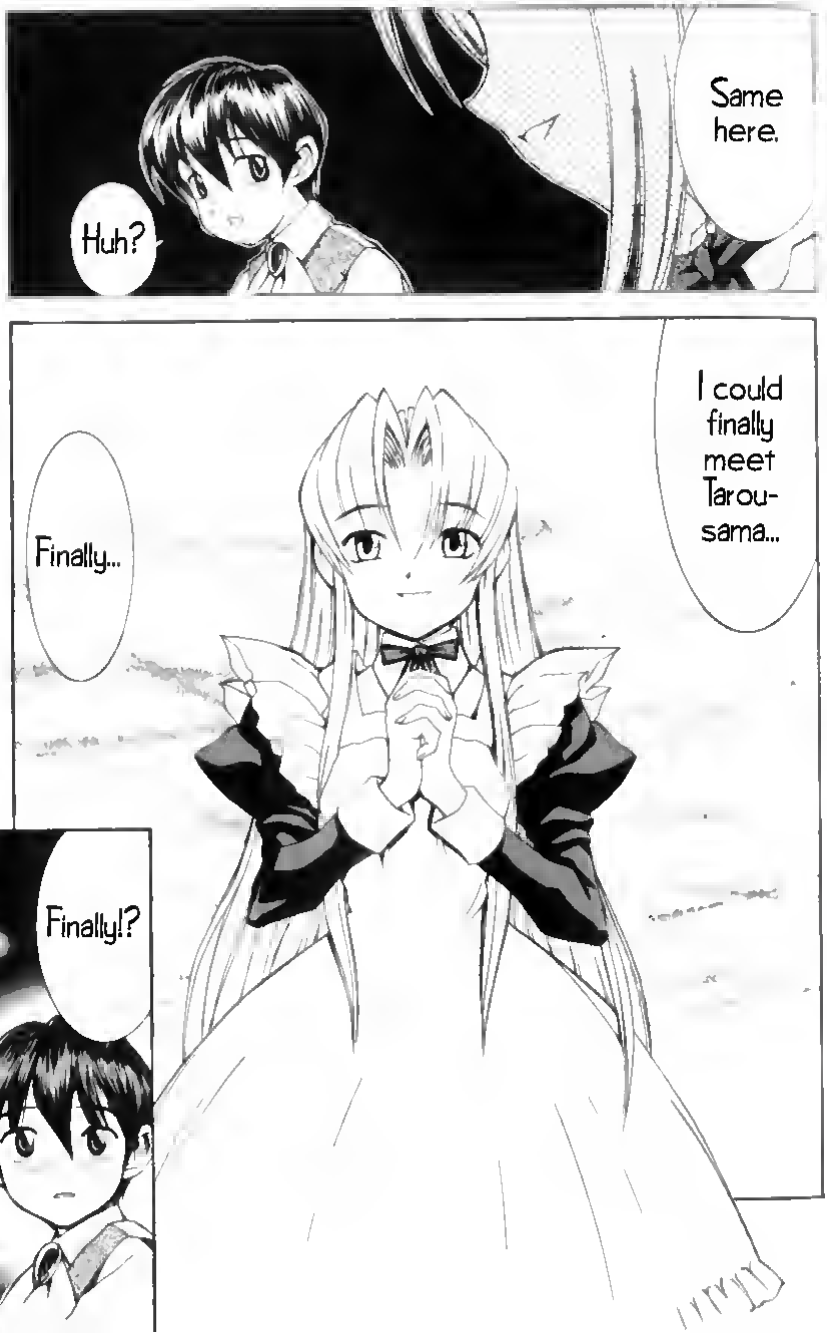
I thought I'd watch the world fall into chaos...
In the next twenty-four hours.
Don't you know about the Y2k bug?
What are you doing?
It's the chance of a lifetime.
That's why Cynthia let me change
Do you want to watch it with me?
Happy New Year..
Hahahaha!
Eat it before it gets cold, okay?
Ha ha ha ha
It'll be interesting, really...

Sip Sip Sip
Thanks for the meal!
Well, I must leave...
Eh? Where are you going?
I have to get back to security.
Thanks for the soba..
The hacking incident from the other day isn't resolved yet, either.
And...

.....
Have a Happy New Year...
Well, there are a lot of other reasons...
Goooooooong!
Just the two of us now, huh?
Yes.

It's the New Year Eve's bell.
*Goooooooooong
*Goooooooooong

Even though I lost my mother...
I managed to meet everyone here...
This really was a year to remember.



Same here.
Huh?
I could finally meet Tarou-sama...
Finally...
Finally!?

Uh.
C- Cold, isn't it?
Tarou-sama
Eh!?
My hands are freezing...
Goooooooong!
Ah-
Haaaaaa

Yes?
Ummm...
I...
Mariel?
Boooong
Boooong
Yes.
...It's the start of a new year, huh?
Why is everyone here?!
Happy New Year!!
Er...

.....
Are you mad?
So we came back
We thought we would welcome the New Year with Tarou-sama, after all
I'm really happy!
No, I'm not.
Thank goodness we didn't waste the Mochis.
Happy Year 2000!
Happy New Year!

Chapter 10 - Tarou's Marriage!?

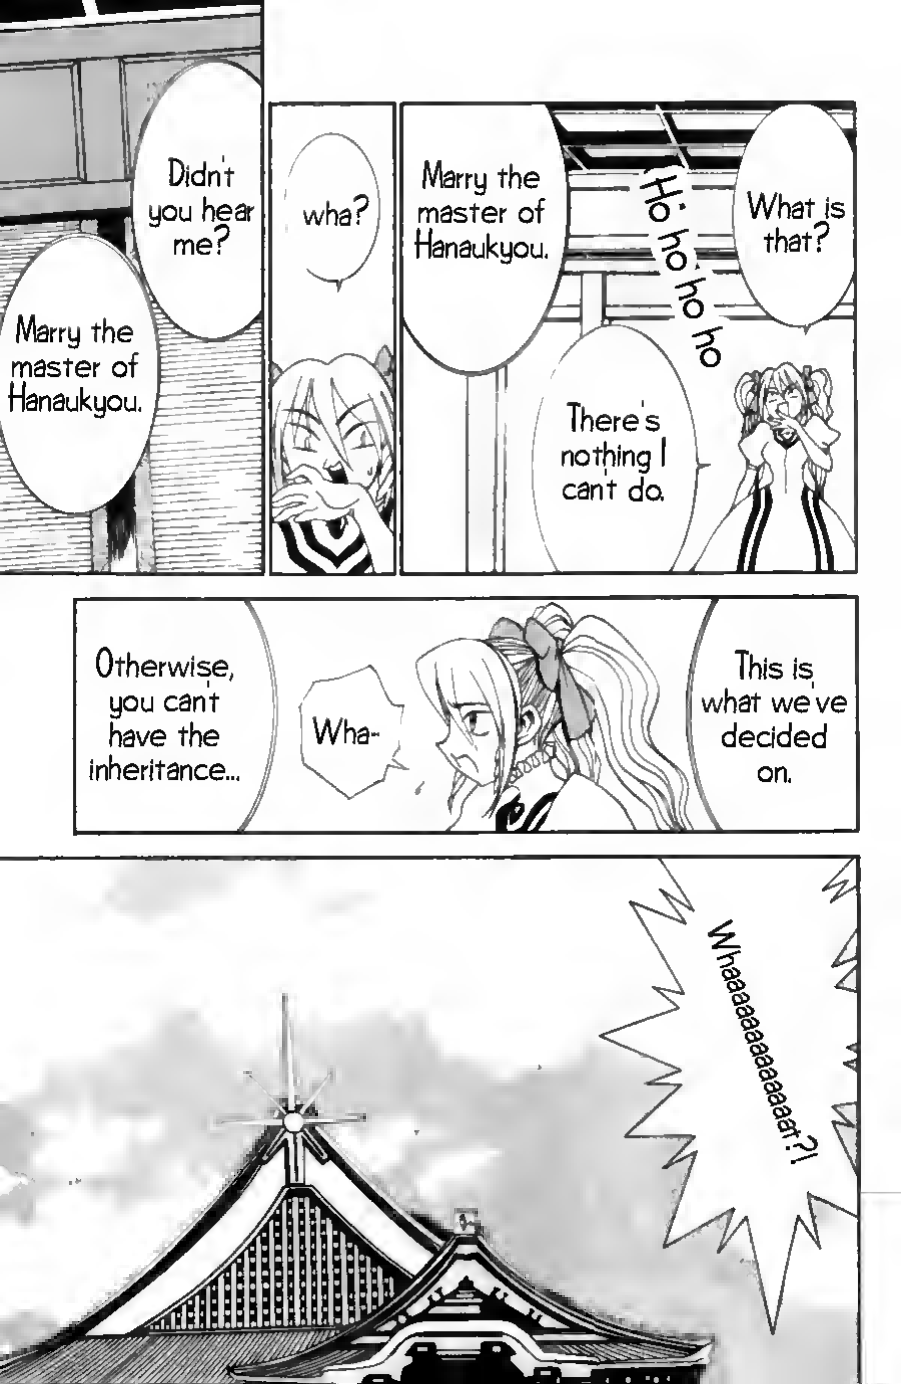
Deep within the home of Jihioh.
You can't do this, Princess Ryuka-sama.
From this point on, it's all sacred ground that only the master may enter.
Enough!
I must see grandfather myself, today.
I'm going be the next mistress of this place, so what's the problem?
But...

Grandfather!!
Isn't that right?
You haven't changed, Ryuka.
Ho Ho Ho Ho

Saying such things...
My, my, grandfather.
and you've already grown more beautiful.
I haven't seen you for a little while
Hanaukyou Tarou, the master of Hanaukyou?
Do you know about...
I'm busy working my way to defeating the Hanaukyou.
So what can I do for you today?

When I become the mistress...
A man like that is no threat.
He's this kind of thing.
That filthy-looking person?
I'll show you how I'll destroy the Hanaukyou!
Ha ha ha ha ha ha!
I'll do this!
And this!

It's about time I handed over my inheritance to you.
No. I called you today for something else.
Did you call me just to hear me say that?
But!
Wow, really?
There's a lot of opinions against it.
So we have a condition.
As for such a young person becoming the mistress...



Didn't you hear me?
Marry the master of Hanaukyou.
wha?
Marry the master of Hanaukyou.
What is that?
Ho ho ho ho
There's nothing I can't do.
Otherwise, you can't have the inheritance...
Wha-
This is what we've decided on.
Whaaaaaaaaaaaat?!

Really? Who was it?
We've found out who was behind the hacking the other day.
Tarou-sama.
.....
It was the Jihioh.
Umm...
And so...
Gaaang!
Who is that?

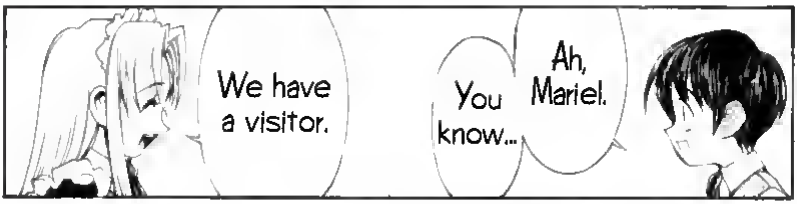
Such as, formally protest against them?
Taking revenge, etc...
Deal with it?
So how should we deal with it?
Ah, oh, yeah. I remember.
This guy's
Is that alright?
MEMO
What about letting it go?
I have something to ask you...
You know, Konoe-san,
I understand. I'll do that.
Thanks to Grace.
It's okay, isn't it? After all, nothing serious happened.

It seems like that, doesn't it?
!
.....
It seems like she knows me from way back.
I was wondering where Mariel came from.
It's kind of about Mariel-san...
Or is there some reason you can't do that?
.....
As usual, you should go ask her, yourself.
.....
Excuse me. I have work to do.

Even who assasinated Kennedy.
I know everything.
There's nothing I don't know.
Hey Tarou, should I check up on it?
Well, good-night, Gracie.
No, it's ok. Konoa-san's right.
I'll ask Mariel myself.
That's right. I don't know about Mariel either.
I'll run a check later.
.....

Tarou-sama.
Good morning.

Should I ask, or should I know?
Sigh



We have a visitor.
You know...
Ah, Mariel.

Hoooooooo Ho Ho Ho
Ah, she's here, already

A visitor?
Tarou-sama!!

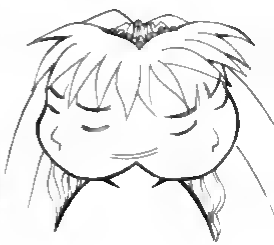
*Ho ho ho ho
It's been a while, Hanaukyou Tarou.
You're just as filthy-looking as ever.

What happened to that flying airship!?
You destroyed it, didn't remember?!

?

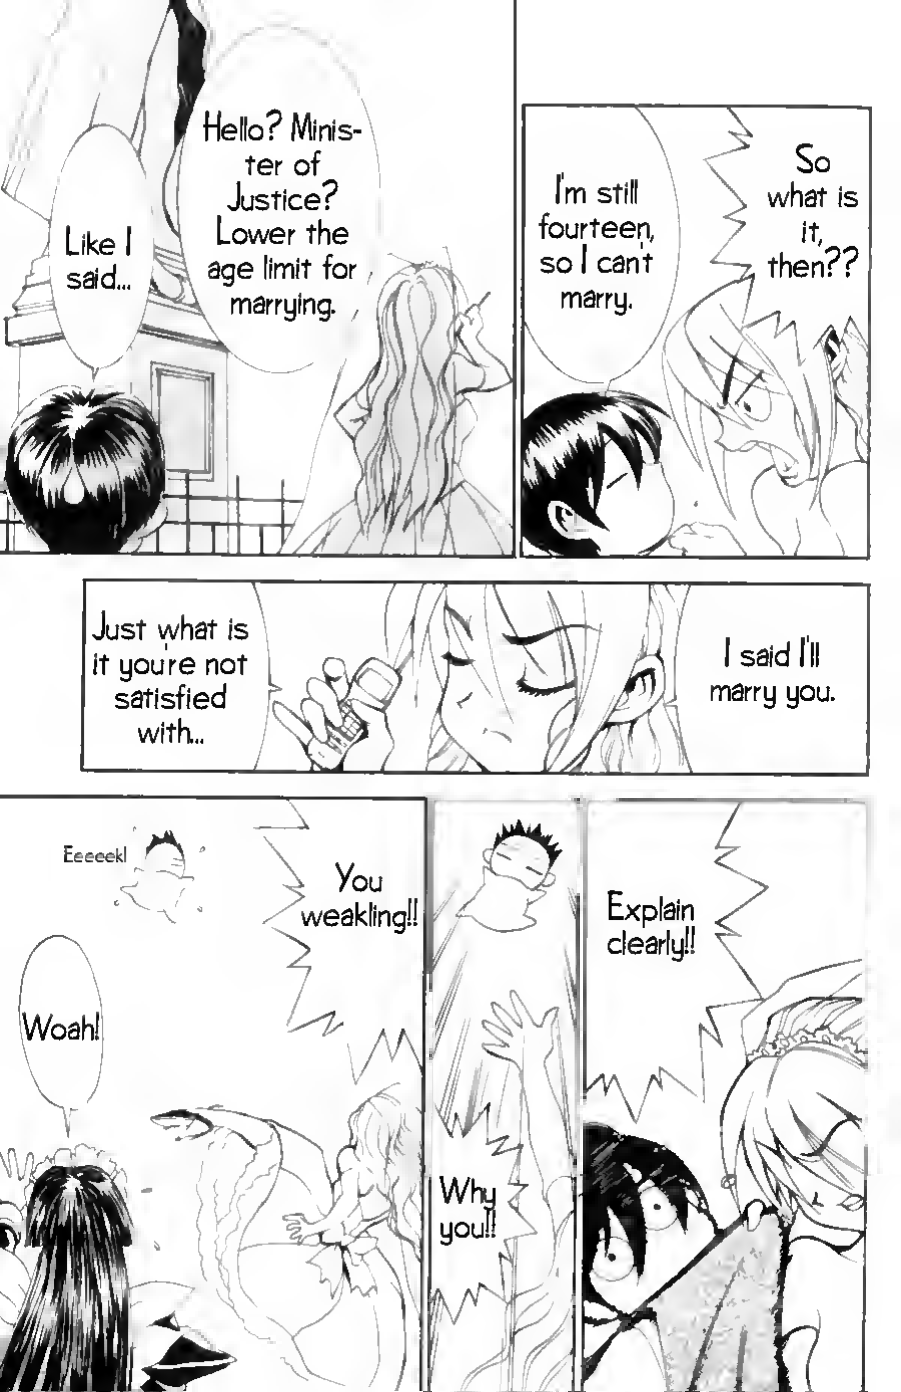
What?
Why do I have to marry THIS idiot??

Let's go to the cere-mony hall quickly.

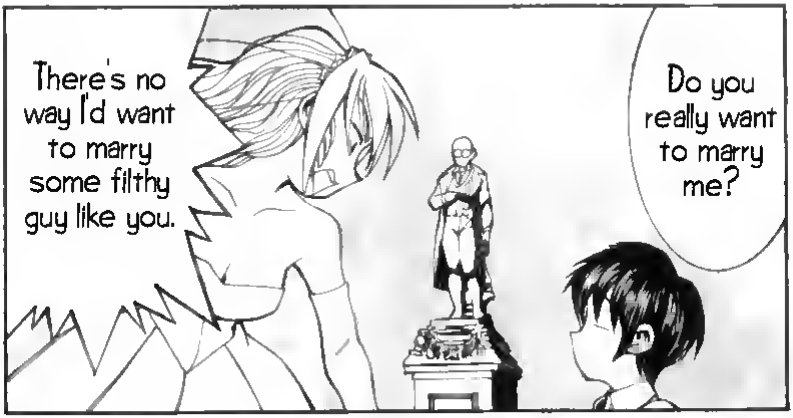


The wedding ceremony you and I are going to have.
*Dragging
Ceremony hall? What kind of ceremony?
Eh?
Hurry up!!
.....
What are we going to do, Mariel-sama?
Wha- What are you talking about?

Geez,
but you're the man fate has sent me...
I really can't believe you're my groom.
I'm still just a junior high student.
What did you say??
No.
It's not that...
Yes. The Ministry of Education? Allow a junior high student to graduate today, now!

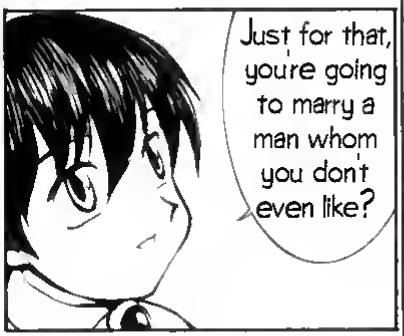


Like I said...
Hello? Minister of Justice? Lower the age limit for marrying.
I'm still fourteen, so I can't marry.
So what is it, then??
Just what is it you're not satisfied with...
I said I'll marry you.
Eeeeek!
You weakling!!
Woah!
Why you!!
Explain clearly!!



There's no way I'd want to marry some filthy guy like you.
Do you really want to marry me?

Of course not!!
So, you don't like me.



Just for that, you're going to marry a man whom you don't even like?

Marrying you is the condition I have to meet to become the inheritor of Juhioh.
If it weren't for that, I wouldn't...

I thought you were one of those proud women...
Shut up, you jerk!!
What are you being so proud about??
Just because you inherited so easily.
The position of the Jihioh inherator is different from that of Hanaukyou.
Don't speak of them together!!
Or is there already a girl whom you've set your heart on?

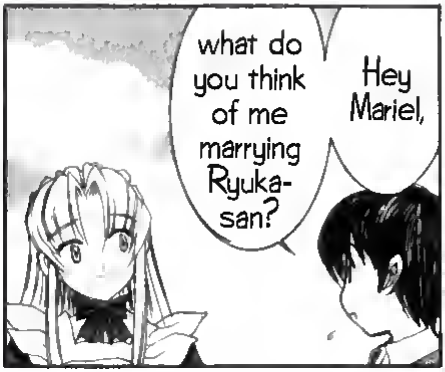
Not really...
No

?

So what is it? Are you saying you hate me?

Hate you? I know nothing about you.

But I never said I wanted to know...
This is what you're trying to say, right?
So in other words, you want to know more about me.
For now, I'll let it go.
I know what you're thinking.
Whew...

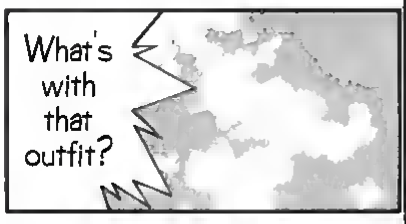


Hey Mariel,
what do you think of me marrying Ryuka-san?

My, my.
The day just flew by.

It's alright, isn't it?
If it's alright with Tarou-sama.

Hooooooo Ho Ho!
*Froze



What's with that outfit?

Cru-Cruel..
?

What?
From today onwards, I will be a maid here.
You said it, right?
That you want to know more about me...
Whaaaaa?
Did I say something like that?
So, I'll let you know more about me.

tap
tap
tap
tap
tap
tap
Here it is.
It's so easy.
If I just do this...
NO FILE
Who on earth is Mariel..?
It- It can't be...

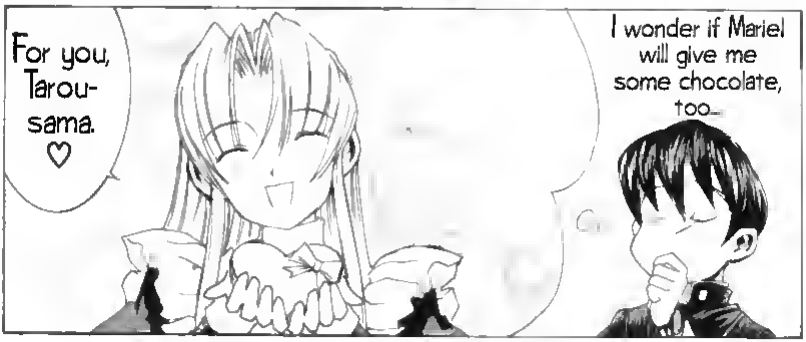
Chapter 11 - Valentine's Day

Yaaaa-awn!
.....
Oh, Cynthia. Good morning.

Today is valentine's day...
Oh yeah!
For me?
Eh?
Thank you, Cynthia.
It's hand-made choco-late isn't it?
Deli-cious! ♡
Ha!
I got some choco-lates.
For the first time since I was born.

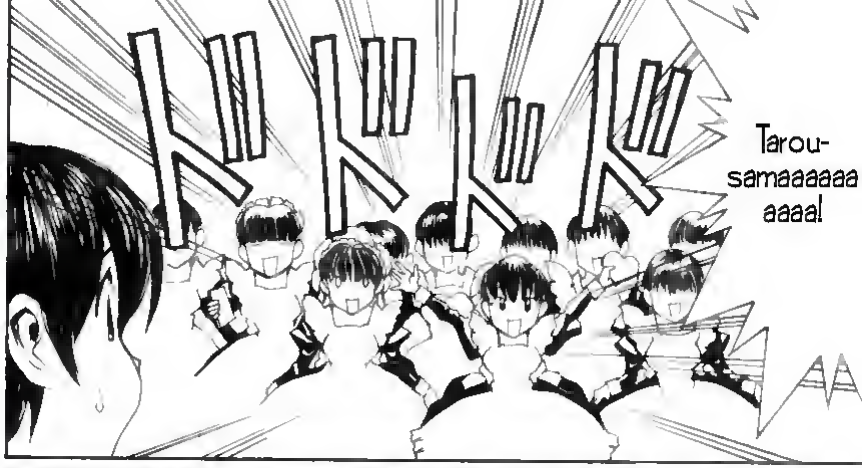
Hmm. I haven't seen Mariel yet today.
I'm going to be late.
Oh no.



For you, Tarou-sama. ♡
I wonder if Mariel will give me some chocolate, too...

Good morning, Tarou-sama.

Choc...
Choc...
Um!
No!
That is!
Is some-thing wrong?
?
Er... It's such a nice day today isn't it?
*Heartbeats
Eh?



ドドドド
Tarou-samaaaaaaaaaa!

Mine too!
Please accept this choco-late.

.....

Maybe I should be happy receiving all this, but...
Ahhh...

Getting so much chocolate.
Man...
Seems like a lot.
Eh?
Well, see you soon.

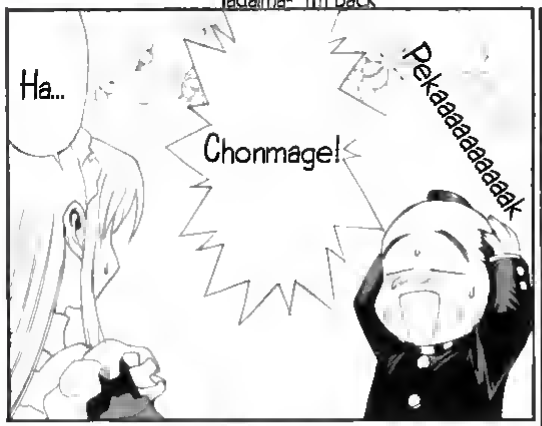
My D-e-a-r! ♡
Good morning.
.....
Not really.
Well, what pitiful choco-late.
That's fine...
I don't really have any interest in boring events like Valen-tine's Day.

But, as a member of the Jihioh family, such pathetic chocolate doesn't suit you.
Ho Ho Ho Ho
Stop deciding things by yourself.
Bring it in!
Taadaa!
*Squeak squeak
Who are these guys?
Made with the finest chocolate from Belgium.
What the??

What are you staring at, you perv? ♡
Ho Ho Ho
Well, start with whatever part you like... ♡
And how am I supposed to eat such a thing...
It looks great.
.....
What do you mean "thing"??

Ah, Konoa -san.
What are you doing here?
Crush
Ah!
Umm...
I... This is...
Oh no. I'm really late.
Well, see you later Konoa-san.
Itte Kimasu!
*said in japan when leaving
*Munch munch

Tadaima- "I'm back"



Like earlier, Tarou is nervous asking Mariel about chocolate, and switches what he's saying to 'Chonmage' the name of the hairstyle he's displaying.

I tried making some chocolate, too.
Today is Valentine's Day, so...
Tarou-samaaaa aaaaa
Thanks...
*Love Taro-sama
Doing this and that.
It really took a lot of work.
Ah.

She's always by my side, though.
Eh? Mariel isn't here?
Today we have a special menu.
I think I'm going to be sick...
Chocolate dishes. Please eatup.
Eh? She's not in her room, either?
I wonder where she went.
Hm.

hasn't been around much today...
Mariel...
Then it's alright, isn't it?
If it's alright with Tarou-sama
.....
What does Mariel think of me??
Aaaaah!

Excuse me.
I'm in a hurry, so
Ah-
If you're not well, Tarou-sama...
I'm fine. I'm fine. I'm really fine!
Ha ha ha ha ha
No no!
I see... That's good.

It happened again.
ERROR
What are you doing?
I even went into the CIA's main computer...
What on earth do you want?

Who is Mariel? Where was she born, and where was she brought up?
I can't even find one piece of data.
Even other outside sources.
MEMOL
What did Mariel say?
That's the answer.
She won't tell me anything.

Would you like some chocolate?
Ah, Konoa-san.
All you have to do is concentrate on your work.
Forget about such trivialities.
I wonder if I said something wrong.
.....
Shut up! Shouldn't you be in bed??
Want to have some chocolate?
.....
Hey, Grace.

I wonder if I can eat this much...
Sigh
I never did get anything from Mariel.
Lets sleep!
So what do I have to complain about?
Well, up until this year I never had got anything at all...

*Knock-Knock
Come in.
It's so late already.
I'm sorry.
What's the matter...
Mariel?!
Umm... Here...
It's choco-late...

I'm sorry.
I did it in-between chores, so it took awhile.
Cynthia told me how to make it, but...
That's how it was. This is Mariel.
I'm glad I made it in time.
Thanks. I'm really glad!
She's not intrusive. She's always been by my side and gives me a warm feeling like my mother did. She's such a cute girl, too.
I hope it's alright...
It's the first time I've made this kind of thing.

I thought you never had any interest in Valentine's Day.
I'm a girl too, so...
But wasn't it a lot of trouble, making it in between work?
Well...
It's because Tarou-sama...
Is a very important person to me.

The best Valentine's Day in my life.
Deli-cious!
And so, today became...
But...
My teeth hurt.
Didn't you eat it?!
It's melting!!
The next day

Chapter 12 - Disaster!?

I don't altogether like festivals.
Geez

Come on, Konoe-san.
Ha!!!
Come on, come on. One more.
Tarou-samaa aaaaa aaaaa

Mariel, Cynthia, over here!
Tarou-sama, you're being too...
Sorry we're late...
Hee hee.
Are you listening??
Since Valentine's Day, Tarou-sama and Mariel have been getting along very well.

Just as I thought. Mariel's the closest to Tarou-sama.
Yes, she is.
Mariel-sama is so beatiful and so graceful.
She seems so perfect...
So different than "her".
There's one thing I want to ask.
ギクッ

Eeeeee eek
Zoooom!
Who's this, "her," that you're talking about?
Humph!!
So that's what it's about.
I see.

I wonder if I shouldn't be a bit like that.
Ryuka-san.
What's the matter?
.....
Mariel-san
Just what is it you're hoping for?

What I'm hoping for...?
Don't play dumb!!
You know it.
You're trying to win Tarou.
Could it be you're aiming to become the wife of Hanaukyou's heir?
No...
If that's the case, he shouldn't hesitate to marry me.
There is no man who doesn't want to marry me in this world.
I...
I serve Tarou-sama as a maid.
There's nothing else apart from that.

Well...
If that is what Tarou-sama wishes to do...
I see.
So there should be no conflict against our marriage.
I'm relieved to hear that.
I was sure you had some special feelings towards Tarou.
So our marriage can proceed as planned.
Oh yeah. You should come to our wedding, too.
.....

When should we have our wedding?
Darling!
Wh-Why that all of a sudden.
Or are you concerned about Mariel?
And she said this, too.
Mariel always says that.
She said if I wish didn't she?
So he saw through it.
Mariel's wishing us a happy marriage, too.
If that's, it, you don't have to worry.
!

However you look at it, it's because of my good work.
But if you know that already, there's no problem.
She has no special feelings towards you.
Shut up! That's not true!!
Oh yeah, and Mariel will be coming to the wedding...
I wonder if I said something wrong...
Eh? He raised his voice.
That's new. ♡

!

I have feelings towards Mariel.

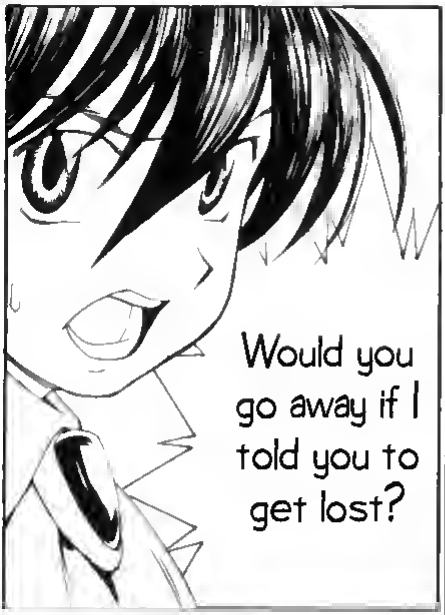
Is it true you agreed to the marriage between Ryuka and I?
Mariel...
Tarou-sama!
Is something wrong?
"If Tarou-sama wishes to do so", but...
I said...
!
Mariel...
It's always been like that.

I want to know what your feelings are!
Is it ok what-ever I wish for??
Your feelings as they truly are.
What I mean is...
How should I answer.
Wishes?

I will obey them.
... Please, tell me what your wishes are.
That was what Tarou-sama was hoping for...
You told me that you like me before, didn't you?
I heard from Cynthia that it was what Tarou-sama hoped for...
So, what about the Valentine's chocolate?

So, if I asked you to hate me...
Would you hate me?

So everything you've done depended on how I felt, huh.
.....
Hahaha



Would you go away if I told you to get lost?

Tarou-sama

If it were my wish...

Tarou-sama wishes for...
If that's what
.....
.....

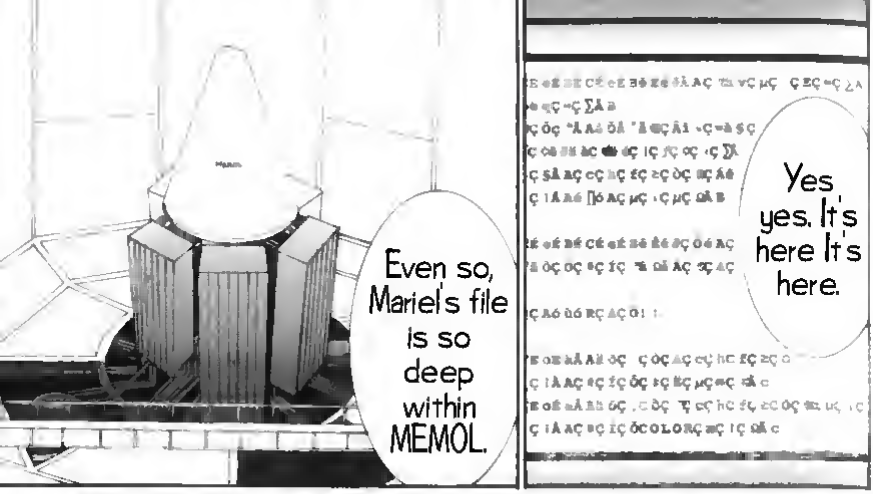
You don't have to worry.
Because I won't say, „get lost," or anything to you.

Why...
Even if it hurts my feelings...

I'll...
Disappear from your sight.

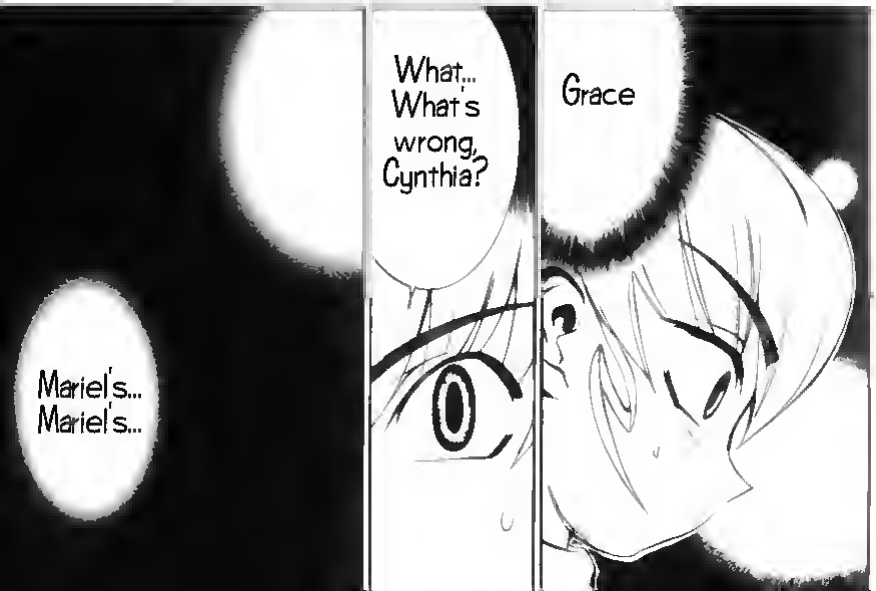
My wishes...
Tarou-sama's wishes are...
I...
Ta... sama...
Tarou-sama's...

Saying I do weird things on my MEMOL.
Just watch me. I'll definitely find out.
MEMOL
Keeping secrets away from me...
Tap
Tap
Tap
Tap
Tap
Even though they've left all of MEMOL to me.
Bingo!!
Is against the contracts of Hanaukyo.



Even so, Mariel's file is so deep within MEMOL.
Yes, yes. It's here It's here.

Now I'll run a careful investigation.
I knew it, I'm a genius.



Mariel's... Mariel's...
What... What's wrong, Cynthia?
Grace

Haaa...
I ended up saying something I never thought I would.
Tarou!
Eh? What's wrong, Grace?
!
Mariel. Mariel. Where is she?
Cynthia is crying.
Saying "Mariel is shattered"...

I'm sure something terrible has happened.
This is the first time this has happened.
Cynthia awakening within my conciousness.
Mariel!
Mariel!
!!

Mariel!!

Chapter 13 - Blue Silence of the Bell

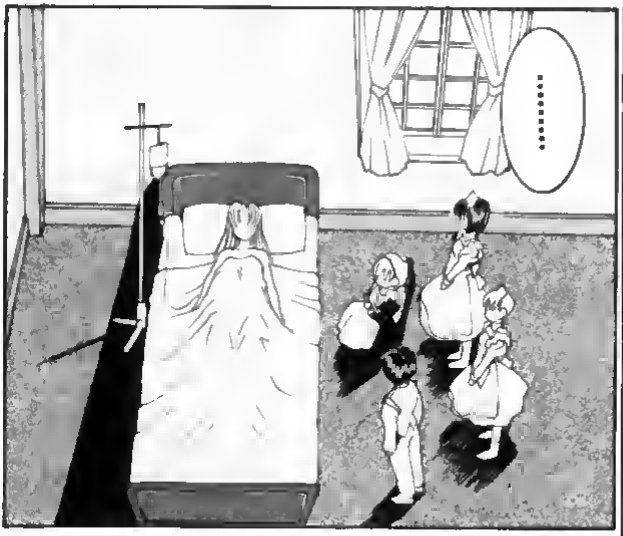
Mariel!

click

"Pro-bably"?
I think it's probably because of her heart...

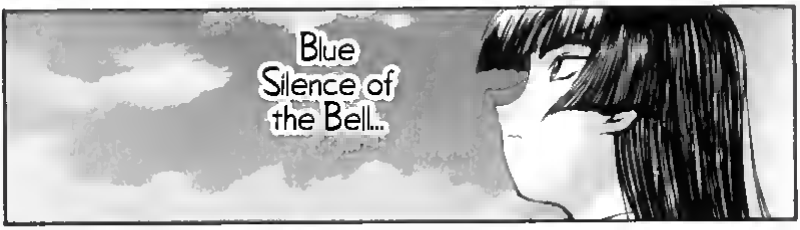
What on earth hap-pened?

Or even what we should do...
I'm not certain about the reason.



.....

No...



Blue
Silence of
the Bell...

バババババ
バババババ

What should I do.
I knew it. It's because of me.
Cynthia.
!
.....

What is that?!
!
Mariel?!

Aah!
カミィッ

what are you doing?

Konoa... san?

Why aren't you stop-ping them?
Don't stop me.
.....

It can't be helped.
If we don't do this, Mariel won't get better.
Aren't you in charge of security?
This is the previous master's idea.
And...
Grandfather's?

Don't just stand there, help!
What's wrong, everyone?
Who cares?
I'm going to stop them!
Aren't you going to follow the master's command?
We can't go against the previous master's commands
We're sorry, Tarou-sama...

!

Do you know the truth?
It took even me time to under-stand.

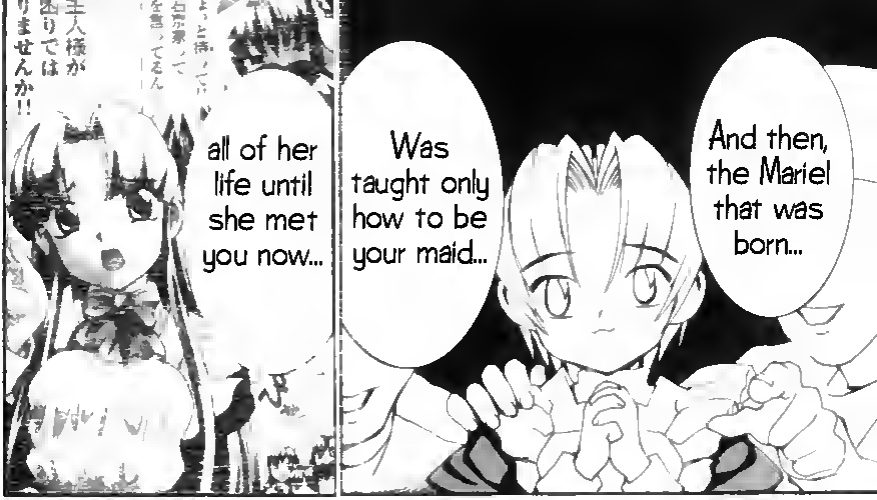
It's about Mariel, right?

I figured you would come.
MEMO!

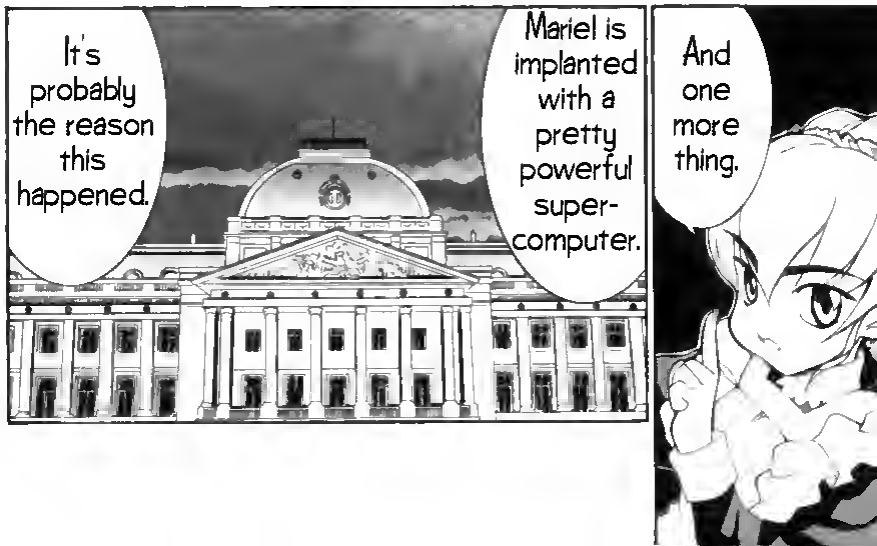
Alright. Calm down and listen.

In other words, a maid who was made just for you.
Mariel was developed as a dedicated maid to the master of Hanaukyou.

No, Mariel was made, literally.
Wait!
Developed? Made?
Mariel is not a "thing".
She was genetically engineered.
And she was born from an artificial uterus.
With your human form in mind.



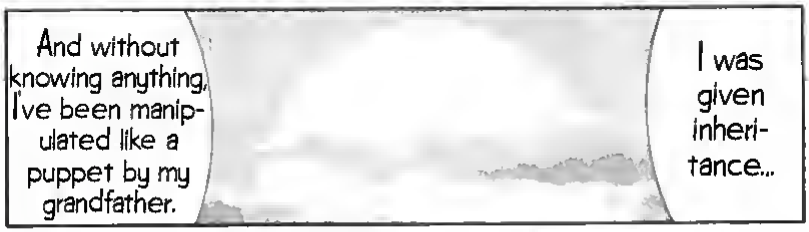
And then, the Mariel that was born...
Was taught only how to be your maid...
all of her life until she met you now...



And one more thing.
Mariel is implanted with a pretty powerful super-computer.
It's probably the reason this happened.

Now that you know about Mariel's secret?
So how do you feel?
So you can't forgive the previous owner?
Playing around with people's lives.
Damn you, old man.
It's myself that I'm having the hardest time forgiving.
But you know...
I can't.

I behaved like an angry, spoiled, child.
Without knowing anything



And without knowing anything, I've been manipulated like a puppet by my grandfather.
I was given inheritance...

So that she would be loyal to you.
Mariel was made to control all her emotions, whether happiness or sadness.

Blue Silence of the Bell... is the code name of the plan to develop a dedicated maid for Hanaukyou Tarou.
You knew all along, didn't you?

She wasn't going to deny what she had to do...
And you wished for feelings from Mariel.
What have I done...
I don't think her heart could bear it.
Damn you, old man...
Somone who will never betray you...
And so, the previous master wanted to present Mariel as a gift to you.
The previous master was someone who couldn't trust people.

What will happen to Mariel, now?
She'll be back soon.
All her memories up until now suppressed. Like a brand new Mariel...
What do you plan to do?
I'm going to get Mariel back.

At this rate, I'll lose the most important thing to me as a man.
Even if you lose your place as the master?
We can't make Mariel wait any longer.
I don't know what will happen if we go against the previous master's orders
I will go with you.
I see what you're saying.

Do you even know where Mariel is held?
What could you do on your own?
But then you will...
I'm going too!
But...
This is no situation for a child!
Grace!?

.....
Mariel is very important to Cynthia, too.
You're not the only one that Mariel is precious to.
Take me with you too, please.
Shut up
I'm... such a useless maid.
If Tarou-sama and Mariel-sama weren't here, I wouldn't be here.
Ikuyo!?

I must take my role in this.
Tarou!!
.....
You're right.
I wouldn't be able to do any of this on my own.
Thanks, everyone.
I'm counting on you.
Hai!
Well, I'll go prepare the helicopter.
.....

Lets go!!
Self control
Ah.. I thought this would suit the situation better...
What's with that outfit?
Tarou-sama
We're sorry.
We can't go with you...
Tarou-sama!
ドヤ
ドヤ
I should be the one that's sorry.
Being so selfish.

All the maids will be waiting together.
Every-one...
But I'm already...
Please come back safely!
No, come back, please!
I'll be back.
.....
Tarou-sama!
Tarou-sama, hurry!!

With Mariel... for certain.
Itte'rasshai mase!
*Have a safe journey
I'll be back.

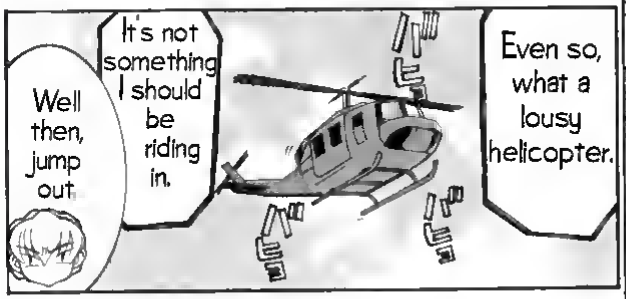
Chapter 14 - Breakthrough!!

Look. Here it is.
Hold on.
Hmm.
Hmm.
What are YOU doing here?!
Don't fight in the helicop-ter!!

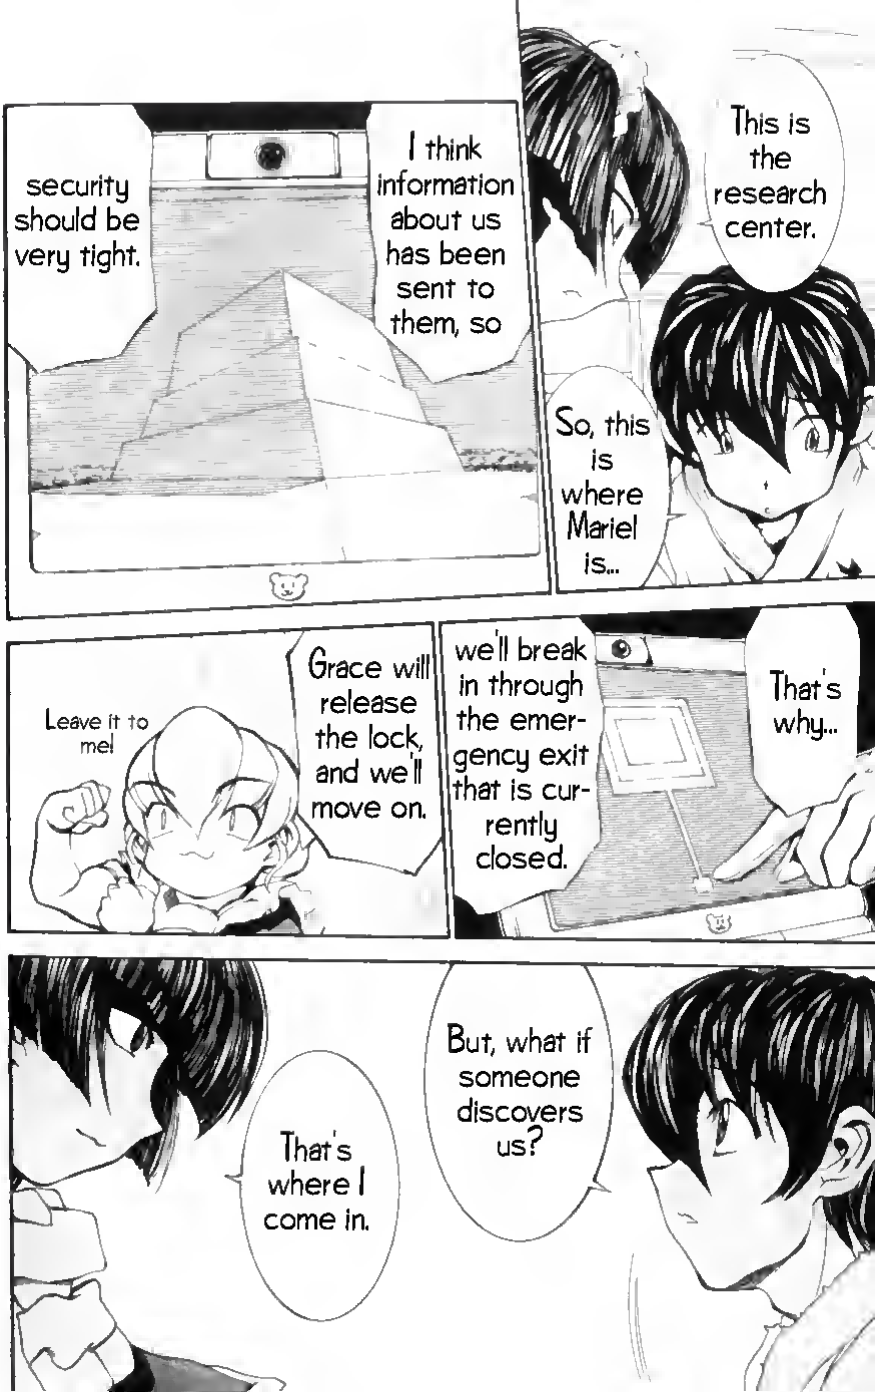
That's because the man who's supposed to become my husband is getting all worked up over another woman.
Am I supposed to stay quiet over that?

I don't mean to get in your way.
Ho ho ho ho
Ahhhhhh. But of course,



Well then, jump out
It's not something I should be riding in.
Even so, what a lousy helicopter.

We couldn't use Hanaukyou equipment.
That's why I had to use my own...
The quality isn't as good, though.
Today's the first time it's flown...
What!?
Come on. Trust me.
No way!
Ha ha ha ha
Never mind the quality..
I don't like all this shaking...
Quit it! This isn't some elementary school trip, you know!
Someone get a bag..



This is the research center.
So, this is where Mariel is...
I think information about us has been sent to them, so
security should be very tight.
That's why...
we'll break in through the emergency exit that is currently closed.
Grace will release the lock, and we'll move on.
Leave it to me!
But, what if someone discovers us?
That's where I come in.

Are you sure? Including the security guards,
all workers in the research center are female.
I'll fight, too.
カッ
When it becomes necessary, we'll break through!
What!?
Really?
That's what the previous master was like.
But then...
It's alright.
Every person has their own duties.

The scenery is flying past too quickly, so my eyes are spinning.
I don't feel too well.
What's wrong, Ikuyo?

Haaa...
Fly low.

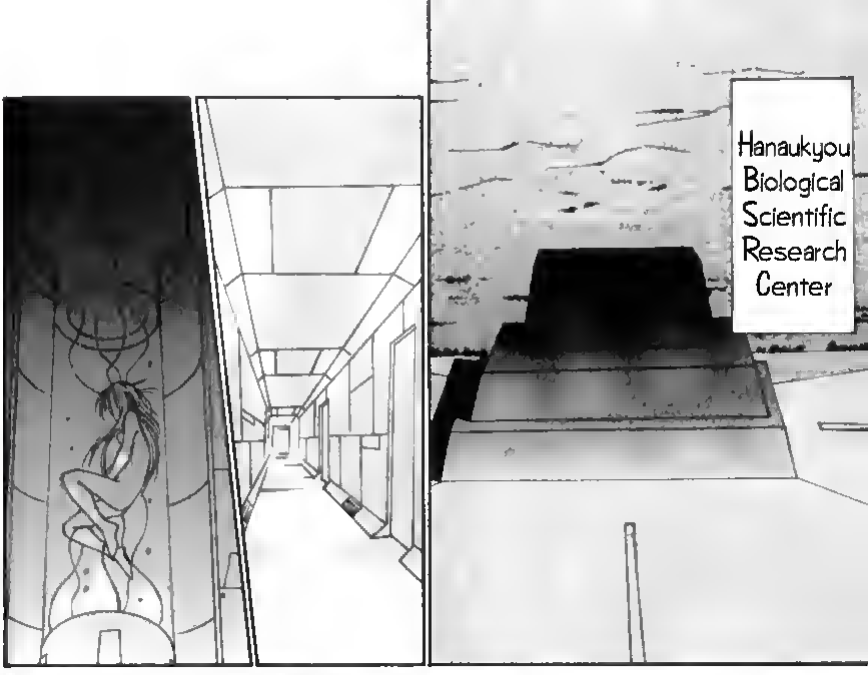
Of course...
Are you really a class "A" pilot?

Aaaaah!

I knew it. The real thing is different...
So you're saying, this is your first time piloting?!

But it was in a simulator, though..
コテッ

Next we... Next we...
What is it now!?
Aaaah!
Forget it. Just keep our altitude!!
I get weak when the air pressure changes~~~
Come to think of it...
You pilot it with THIS thing?!
Ah! That's!
.....
Sooooooorry.
Enough! I'll take over.



Hanaukyou
Biological
Scientific
Research
Center

コポッ
コ

Ah! She's doing it again! Geez! Stop it!
Sooooooooorry
It's no good. I don't get it.
Yikes!
We're going down. Everyone, hold onto something!
We're going to crash head on!
What do you mean, hold on?!

ズズズズズ
ズズズズズ
CAUTION
Fire in B-12 Block.
Extinguish the fire quickly.
Over there!
Possibility of intruders. Everyone, keep an eye out.

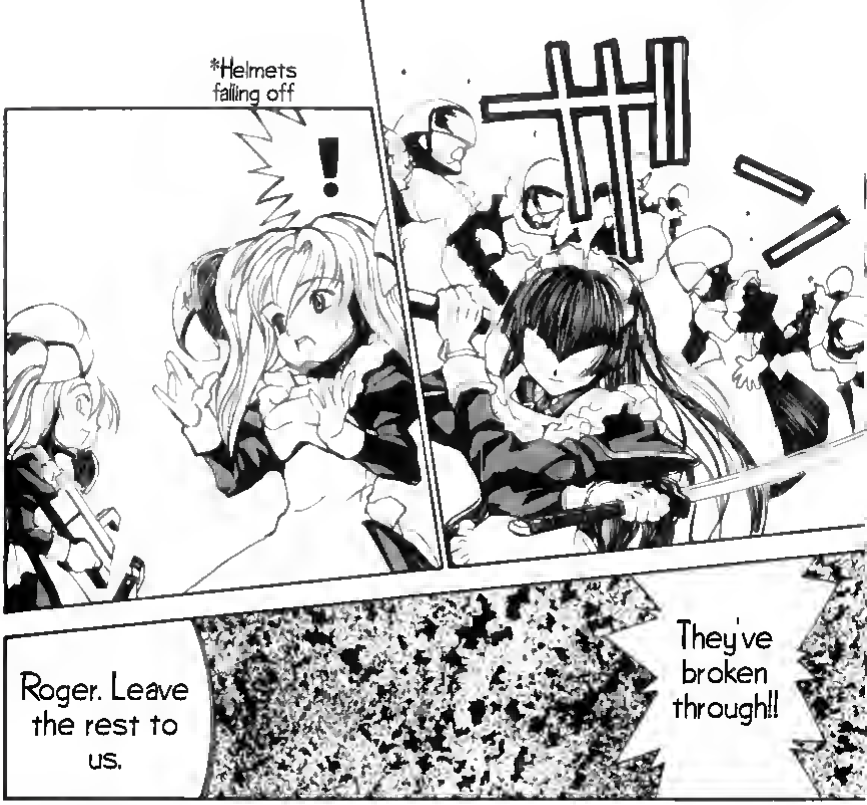
*Cough
Cough
!!
Sto-
Stop!!

*footfalls on hard floor
Hmm...
Where are we...
What should we do? Our earlier strategy won't work.
Ah! We're going the wrong way.
It can't be helped. We'll break through!!

I'm soorry.
It's Grace.
Yes. We've found them.
And someone else.
Suzuki Ikuyo of the technology department.
Cynthia Lando Ravija of the information department.
Tsurugi Konoe of the security department.
We're going after Hanaukyou Tarou...
And "someone else"??
So, what do you mean, "someone else"??
You're facing the next inheritor of Jihioh!

They're in the 5th Area.
Oh no. What am I doing?
.....
Haaaaaa!
(Sound like a snake hissing)
You cannot enter this sacred place.
Even if you say you're master Hanaukyou Tarou.
This is the master of Hanaukyou, Hanaukyou Tarou!!
Do you people know who you're dealing with?

I am Tsurugi Konoe.
Also known as the "lightning-speed sword mistress."
So, what if I say I want to get in?
Without orders from our master,
we will not let anyone through.
I see...
If that's the case...
I'll force my way in!!



*Helmets falling off
!
They've broken through!!
Roger. Leave the rest to us.

.....
Why? You're alright, aren't you?
Hey! Carry me, too!
.....
.....

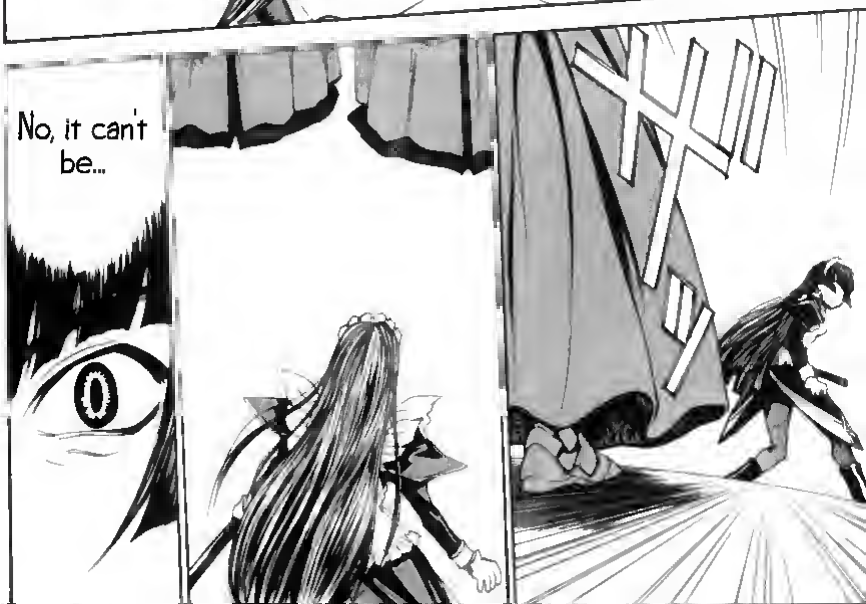
Let's leave her.
.....
I can't walk anymore.
I've hurt my leg. I've really hurt it.
Ooow!
I don't get it, anymore.
I don't get it. I don't get it.
It's a welcoming party.
We're here! It's that room!
That idiot, Tarou-sama!!

Eek!
Haaaaaaaa!
Hurry and open it!
Shut up.

It's open!
Every-thing alright?
Tarou-sama, leave this to me.
Don't worry. Go, please.
Thank you.

What's wrong? You're not going to come to me?
This time, I'll take out all of you...

Looks like you haven't changed, Konoe...



No, it can't be...

*Sound of Konoa-san collapsing

Mariel...

Chapter 15 - Red Flags!!
Sorry I reminded you of such painful thoughts.
I didn't mean to hurt you.
Mariel...

Chapter 15 -
The Red Flags!!

!
Why is my sister here...

You look well,
my younger sister.
Shinkouin...
Impossible!
Nee-sama...

It seems like only yesterday that you joined us.
The days pass by so fast, don't they?
The 12 strongest Mikos, who have pledged their loyalty to the master?
Why have the Red Flags been called...
Why is the master so concerned over one maid?
The Red Flags, who work in the shadows, don't usually show themselves.

I will only repeat this once.
Surrender, Konoe.
I have a pact...
with Hanaukyou Tarou-sama, so I can't do that.
Surrender.
What should I do?
I can't hold off Nee-sama much longer.
If I can't stop you...
.....
Even if it's Nee-sama...
I won't.

I'll gain us some time...
Your master must be...
very special to you, indeed.
Since even a coward like you...
Isn't afraid of death.

!
ガリッ
You did well to break in.
But I can predict your moves easily.
Argh!
Die.
Konoe...

ドンドン
Calm down, Tarou!!
Mariel...
Even plastic explosives can't scratch it.
ドン
ドン
That capsule is made of special reinforced glass.
You can't take Mariel-sama out of the capsule.
You are...

After she was transported here, we tried all kind of methods to heal her, but...
At this rate, we can't guarantee her life, or whether she'll recover...
Is she really that bad?
Yes.
There's nothing we can do.
Mariel-sama has completely sealed her heart.

ドーン
Mariel...
Tarou... Are you alright?
No...
*BASH
ドンドン
ドン
ドゴーン
*SMASH

Konoe-san!!
Please, run, Tarou-sama.
You people are?
!
This is the first time we've met.

I won't hand Mariel over.
*Clash
The ones who took back Mariel for our master.
We are the armoured hunters, The Red Flags.
The operation is a failure! Run, Tarou-sama!
Urgh!

Never.
Surrender.
Konoe -san!!
ドカッ
I see... Then I guess it can't be helped.
Tarou!!
グイッ
If you must oppose my master, then I must carry out the punish-ment as com-manded

Urgh!
Ah.
!
The person who is responsible for this is...
and you couldn't do anything.
Mariel became like this...
You should recognize your own incompetence.

YOU, Hanau-kyou Tarou!!
That's right. It's because of me. Because of my incompe-tence.
I couldn't do any-thing for Mariel.
ゲシィッ
I'm sorry it ended up like this.
*quiver
I just wanted to know what was really in your heart.
What are you mumbling about??
Mariel... You asked me,
What my wish was...
My wish is...

That someday you'll live peace-fully...
And show me your real smile.
Mariel's condition is much more serious than you think it is.
That's why we took her back here to analyse and repair her.
Mariel isn't a thing. Stop talking about her that way...
Shut-up!!!
Tarou...
-sama

*Grin
.....
!?

Chapter 16
- Escape!!

CRACK
It can't be! The reinforced glass has been...

ドンッ
Now, Tarou-sama!!
!

Ha..

ドメッ

Haaaaaa!

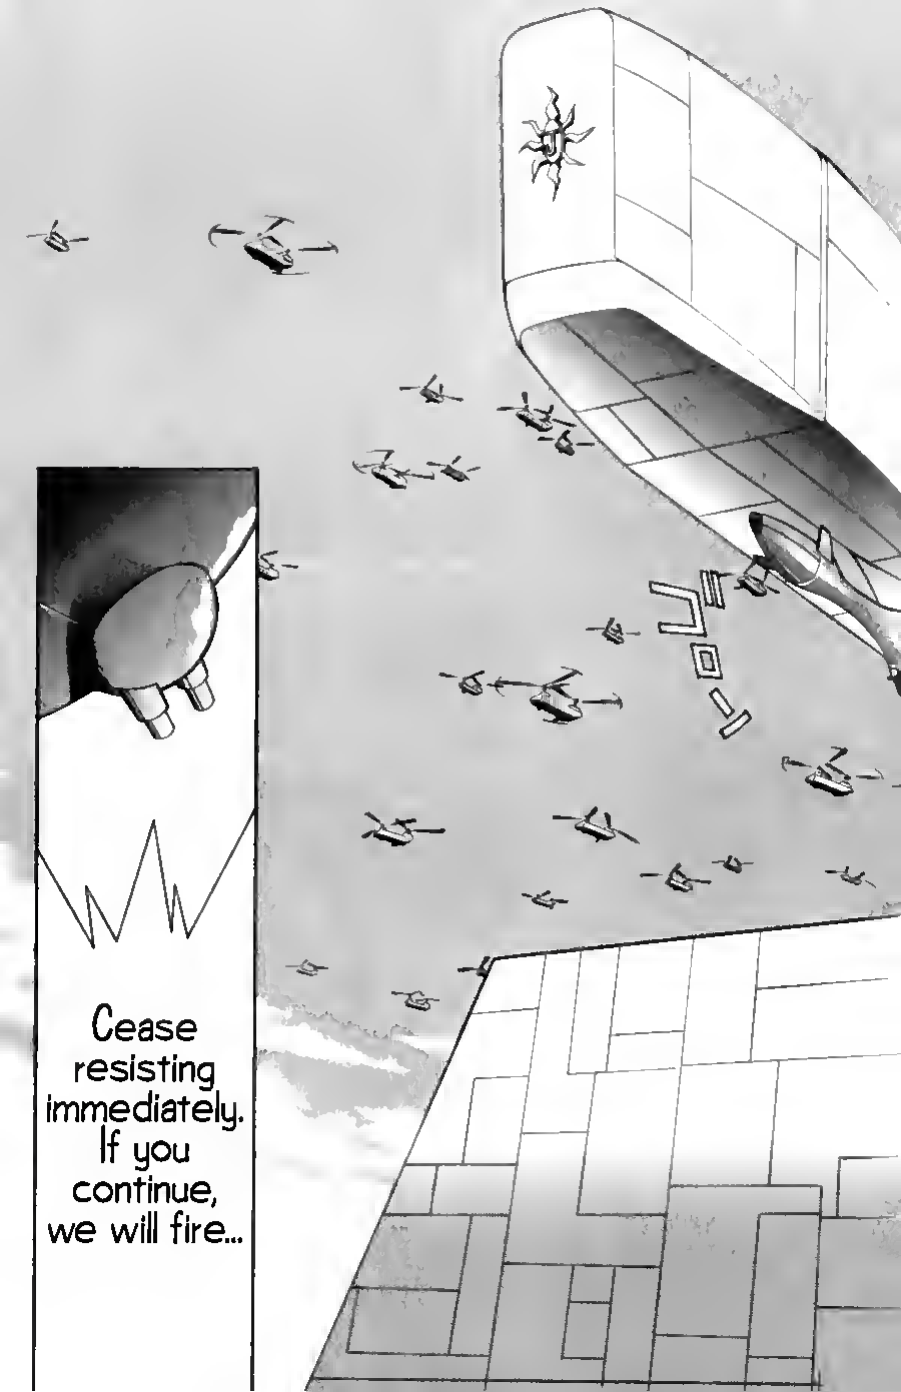
Shut-up!
Don't order
me around!!
Run!!

What are you doing?? After them!!
Yes madam!
Konoe-san, are you alright?
I should be asking you...
Why do I have to...
I'm sooooooory
Shut-up! Keep running!!

They're after us!!
Sh-She's flying?!
Outside!!
What speed!!

Eeek!
*Guns firing
!?
BOOM!

!!
ゴロゴロ



Cease resisting immediately. If you continue, we will fire...

Looks like we made it. The Yungururau 2 is here.
You have a military?
Of course. My dream is to have the best military in the world
Tarou-sama!!
Everyone!
Retreat.
Yes, madam.
*Grin

Wait.
What are you doing?
I should be the one apologizing...
No...
I'm really sorry, I wasn't strong enough, so...
How's your wound?
Don't bother to stand up.
Tarou-sama.

Mariel!!
I'll let you change now.
Yeah, ok.
Tarou-sama! Mariel-sama is awake!!
*Taptaptap
Tarou-sama!
Cynthia-chan!

Where am I... What on Earth...

There's nothing for you to worry about.
It's alright!

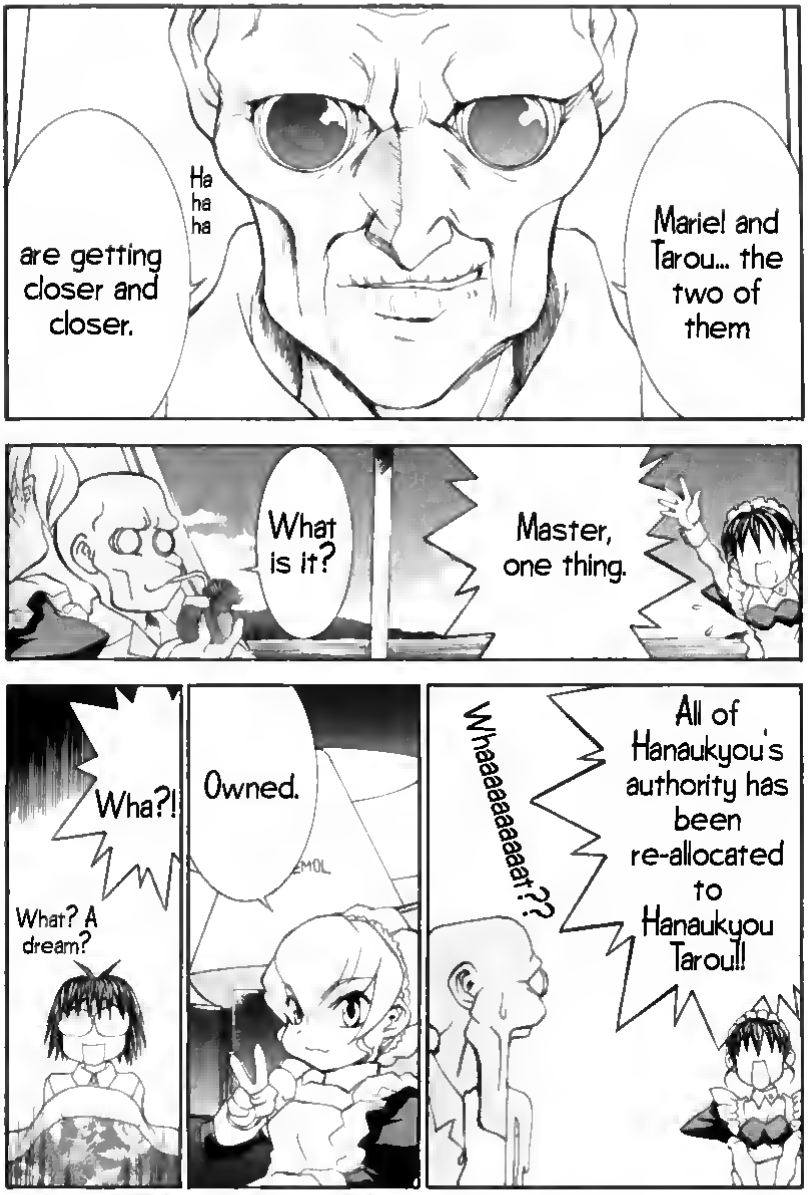
.....

Tarou-sama...

Hah.
There's no chance of you interfering. How about you just go back home?
That's right.
Wha?
I'll make you eat those words!
Is a man, isn't he?
Hanaukyou Tarou...
Even so...

Let's go back!
So.
Every-one...

Yes, it is.
This is great, isn't it.



Mariel and Tarou... the two of them
Ha ha ha
are getting closer and closer.
Master, one thing.
What is it?
All of Hanaukyou's authority has been re-allocated to Hanaukyou Tarou!!
Whaaaaaaaaat??
Owned.
Wha?!
What? A dream?

Chapter 17 - Cynthia & Grace

Mariel
is back.

And since then...
Ah- Cynthia!
Happy
went back to normal...
our daily lives...
Though some had to go.
.....
My heli- copter isn't here...
Eh?

What did you say?
Quit talking and go.
I'm going back home to my family.
Seemed like she was lonely...
Seemed like she was relieved...
hmm...
*tap
*tap
MEMOL

What are you looking at?
Eek!
.....
Screen: Arikawa Fair
ありかわえん
HIMEPART
ENTER
What is it?
What! You gave me a fright!
.....
*Flip
Oww!
You're disgusting! If it's nothing, then get out of here!
.....

Mariel?
.....
I still don't know anything about Grace.
Is it about Grace-chan?
Yes.
She is another person who appeared to protect Cynthia-chan, who was hurt.
Grace-chan...
This baby is a genius!
EVIL NEVER DIE
Amazing, Cynthia!
COLOR
Dear, look!!
Cynthia-chan was born within a normal American family.

Cynthia thought her abilities made everyone happy.
But instead, her abilities caused disagreements between her parents.
Cynthia is still a child!
This is for Cynthia's sake!
Go with grandpa.
Where you can make full use of your abilities.
In the end, Cynthia-chan was entrusted to a famous scholar.
Cynthia-chan studied extremely hard.
Just what I expected. You're amazing.
She believed that if she did that, her parents would come back for her.
But her parents never did.

But it was just the start of new suffering.
And before long, Cynthia entered into one of the leading universities in the world at the age of 6.
Aren't you, Cynthia -chan?
I'm sure you're trying to make fools out of us.
Yeah. She's the kid.
So this is the genius, huh?

Who are you?
You don't have to cry anymore.
From this day forth I will protect you.
Another one of you.
I am Grace.

Grace took over.
And as for the genius side of things,
a pure, sincere young girl.
And so, Cynthia-chan continued on
I have a favour to ask of you...
Tarou-sama?
.....
And to bear all the sad memories...

カバッ
Come on, lets go to the amuse-ment park.
Yeah. I got the tickets.
Amuse-ment park??

I'll never go.
Quit treating me like a kid.

I said, not with me!!
Yay! Let's go! Let's go!
Cynthia told me she'll go.
Go with Cynthia.

Aaaah!
Damn it.
Again...
You know, Cynthia.
I have a favour to ask...
.....
It's alright, Cynthia.
You don't need to worry.

You look so cute.
Well, shall we go?
.....

*Grab

Eeeeek!

*Grab
MUT

You knew from the start, didn't you.
That I was Grace...
But I don't have that memory.
Going to the amusement park with her parents was Cynthia's last happy memory.
I wanted to come see, for once.

*Hyuuuuuuuuuuuu!
.....
(hyuuuu! = someone blowing a party favor)
Happy Birthday!
Grace-chan!
HAPPY BIRTH
Wha?
Grace-chan.
Happy Birth-day.

Aren't you guys stupid.
Cynthia's birthday was ages ago.
Geez!
Ah!
Yes. Today's the day you were born within Cynthia.
It's your birth-day.
MUT
You idiot!! Don't you know why I was born?
What is there to cele-brate.
That's not true.

Thanks to your birth, we were all able to meet you.
Happy birthday Grace!
Geez.

What idiots!
Everyday is just going to be a maid's birthday.
We'll have a lot of work, the day after tomorrow. 2 people from the security department, 3 from the information department and in the service team we have..
Eeek!
Yesterday was Sanae Yashima's birthday from the security department.

Removing the maid's aprons...

why do I feel so embarassed.
But...
It's simple not to have an apron.
This project is a failure, isn't it.
That's because aprons are the maids' uniform!!
